Average Cycle Time of Wireless Communication Repairs Priority Repairs

**Information Technology  $\frac{3}{4}$  continued****Comments/Highlights**

The City's Internet site, Phoenix At Your Fingertips, was replaced in November 2002 with Phoenix.gov which resulted in a change in how the "Number of Hits" is calculated.

The City's Intranet site, Inside Phoenix, was enhanced in November 2002 which resulted in a change in how the "Number of Hits" is calculated.

**CENTER FOR DIGITAL GOVERNMENT:** At the Center for Digital Government's request, ITD joined a "select" group of local government CIOs to meet and discuss policy, management, and economic and quality of life implications of technology deployment in local government.

**CYBER SECURITY:** ITD participated in a panel discussion of cyber security at a public forum presented by Arizona Telecommunications & Information Council.
